

Attractions Guide – Shijiazhuang

Shijiazhuang Zoo

The zoo combines natural scenery with artificial buildings. The park is divided into areas such as a wetland bird and animal zone, a forest and bird zone and predatory animal zone, with over 250 kinds of animals, including flamingos, golden snub-nosed monkeys, Siberian tigers, Asian elephants, giraffes, and China's national treasure — giant pandas. Different performances take place every day, such as tiger juggling and black bear cycling performances. In addition, the aquarium in the park hosts wonderful performances by dolphins and sea lions, ensuring a memorable visit.
